Peak Servo makes no warranty that its products are fit for the use or purpose to which they may be put by Customer, whether or not such use or purpose has been disclosed to Peak Servo in specifications or drawings previously or subsequently provided, or whether or not Peak Servo Products are specifically designed and/or manufactured for Customer’s use or purpose.

Material and workmanship used in the repair and replacement of hardware Products under this warranty are warranted additionally against defects for a period of ninety (90) days from the date of return of shipment to customer.
